

Technical drawing of a mechanical part, likely a shaft or rod, showing dimensions in millimeters. The drawing includes a side view and a cross-sectional view.

Dimensions:

- Overall length: 2780
- Overall diameter: 100
- Radius at the left end: R50
- Distance from the left end to the first step: 140
- Distance between the first and second steps: 80
- Distance between the second and third steps: 110
- Distance between the third and fourth steps: 560
- Distance from the fourth step to the end of the part: 200
- Distance from the fourth step to the center of the hole: 120
- Distance from the center of the hole to the end of the part: 115
- Distance from the center of the hole to the end of the part: 275
- Distance from the center of the hole to the end of the part: 665
- Distance from the center of the hole to the end of the part: 35
- Distance from the center of the hole to the end of the part: 40

[illegible]
